[redacted] advised that he also had in his possession, the file of MUNIR BISHARA SIRHAN, and would furnish copies of this file to agents.

Pasadena City College, Pasadena, California, furnished Xeroxed copies of the academic record of SIRHAN SIRHAN, who attended the school between September 1963 and May 1965, when he was dismissed for poor grades. [REDACTED] had been contacted several times by different news media trying to obtain a copy of this record, which he had refused by law under the California Education Code. There were no samples of SIRHAN's handwriting in his file and no signature on his typewritten application for admission, which signature is normally required. There was no record of extra-curricular clubs or other activities engaged in by SIRHAN at the college. [REDACTED] stated the record reflected he had interviewed SIRHAN on one occasion in May 1965 because of his lack of regular attendance and failure to appear at physical education classes; however, he could not recall SIRHAN at all due to the large number of students he interviews on a regular basis. [REDACTED] had no record of any teachers or students who might be acquainted with SIRHAN.

He stated there was no club on the campus composed of Arab students or those of Arab origin, to his knowledge. He stated there was an International Club, which covered a broad spectrum of foreign nationalities and the study of any and all foreign cultures desired by the students. He stated [REDACTED] in the English Department, was advisor or sponsor of the International Club.

The file of SIRHAN SIRHAN which [REDACTED] furnished contained the following information:

CLARENCE COPPING, ██████████ Pasadena, California, furnished the following information:

COPPING advised that he operated the Elite Motor Service, 2529 East Foothill Boulevard, Pasadena, California, for 29 years prior to selling out his business to JACK DAVIES in September 1964. COPPING advised that he is presently retired.

COPPING went on to say that on March 30, 1964, he employed one SIRHAN SIRHAN who worked for him at the Elite Motor Service until September 14, 1964. COPPING advised that SIRHAN was an outstanding employee, excellent worker, and never had any friends hanging around the station. He advised that during the time SIRHAN was employed by him, he worked the 4:00 p.m. to 3:00 a.m. shift alone and that none of the other employees would have known anything about SIRHAN. He advised that during his association with SIRHAN at no time did SIRHAN ever express any of his political views or nationalistic leanings or for that matter, any of his views. He advised that while SIRHAN was employed at his station, he resided with a family by the name of WILLIAM BEVERIDGE who resided at ██████████ Pasadena, California. COPPING advised that SIRHAN stayed with the BEVERIDGES and that this family would probably know him better than anyone else. He advised that before SIRHAN terminated employment with him, he had moved from the BEVERIDGE residence to his mother's address at 596 East Howard, Pasadena, California.

COPPING further advised that he could not furnish anything derogatory concerning SIRHAN and that when he was notified that SIRHAN was the person suspected of shooting Senator KENNEDY, it was very hard for him to believe.

COPPING then furnished the following individuals who might have known or been associated with SIRHAN:

JACK DAVIES, owner Jack Davies Richfield Service Station, 2529 East Foothill Boulevard, Pasadena, California, furnished the following information:

DAVIES advised that SIRHAN SIRHAN began working for him at the station on September 28, 1964, and terminated this employment on June 7, 1965. DAVIES advised that SIRHAN worked at this same Richfield Station for one CLARENCE COPPING, who had previously owned the service station prior to DAVIES purchasing this station.

DAVIES advised that SIRHAN was an excellent worker and never caused any trouble around the station, was friendly to the customers, and seemed dedicated to his work.

DAVIES advised that during the time SIRHAN was employed at his station, he worked the night shift alone and was an excellent employee due to the fact that he was a loner and never had any friends; therefore, there were never groups of boys hanging around the service station while SIRHAN was on duty. He advised that SIRHAN never made friends with anyone at the service station and never expressed any of his political views or nationalistic beliefs to him.

DAVIES advised that he never saw SIRHAN with any girls and the only thing he recalls about SIRHAN was that he enjoyed going to the horse races at Santa Anita and he always got the impression that SIRHAN bet most of his salary on the horses. He advised that SIRHAN once mentioned that he would like to become a jockey and if he ever started any type of conversation at the station, it was concerning horses that were running at Santa Anita.

He advised that SIRHAN was very polite to the customers, attentive, showed an outstanding personality, and one of the best employees that has worked for him since he took over the Richfield Station.

He advised that approximately two months ago, SIRHAN came by his station on a Sunday and he helped SIRHAN tune up his 1956 DeSoto. He advised at this time he noticed no change in SIRHAN. He advised that during this time while SIRHAN was at the station, no conversation developed other than SIRHAN mentioned to him that his automobile had not been running for the past couple of months and that he had not purchased license plates for this automobile and that license plates currently on the automobile belong to his brother.

DAVIES advised that he never met any of SIRHAN's relatives nor at anytime while SIRHAN was employed by him did any of his friends come to the station.

DAVIES advised that IVAN MILICIC, who runs the Chevron Station across the street from his business, once needed some help in 1965 and SIRHAN worked for MILICIC approximately two weeks.

DAVIES advised that the last time he saw SIRHAN was on June 3, 1968, at approximately 11:00 a.m. when SIRHAN drove into his station to get gas. He advised that at this time, he was talking on the telephone and he noticed that SIRHAN had waved to him. He advised that SIRHAN waited on himself by putting the gasoline into his car and gave the money to SIDNEY MC DANIEL, an employee of the service station and SIRHAN drove off before DAVIES could speak to him.

DAVIES advised that although several of his customers may have known SIRHAN to see him, he is certain no one knew him well. DAVIES advised that he did not notice any difference in SIRHAN the past few months and he did not seem to change any since he was employed at the Richfield Service Station.

DAVIES went on to say that when he saw the picture of the suspected assassin of Senator KENNEDY on television, he immediately identified this individual as SIRHAN, who was employed by him and he further stated that it was hard for him to believe that SIRHAN could do this type of thing.

DAVIES then furnished the following names of individuals who might have known SIRHAN:

BERT ALTFILLISCH, manager and part owner of Granja Vista Del Rio Farms at 13200 Citrus, Norco, California, advised that his regular office manager and bookkeeper, who was off with a broken back, had observed on television the person accused of shooting Senator ROBERT F. KENNEDY in Los Angeles. He had contacted him and advised that this appeared to be a former employee of theirs.

From his records, Mr. ALTFILLISCH was able to advise that SIRHAN, with Social Security No. [REDACTED] came to work for this farm on June 2, 1966, as an exercise boy with the thoroughbred horses. He was laid off on December 10, 1966. He gave his home address while working this six month period as 696 East Howard, Pasadena, California. He gave his date of birth as March 19, 1944, and his telephone number as SYcamore 8-2136.

Mr. ALTFILLISCH was able to advise from memory of little contact with SIRHAN and, from comments made about him by other employees, that he was supposed to be a political science student who had dropped out of school to try and become a jockey. He had come to this country with his brother and mother, but Mr. ALTFILLISCH did not know when. He seemed interested in politics but did not espouse any particular ideology or ideas that could be pinned to any political assaults or to any political party of any kind. He was very adamant in his beliefs and was dogmatic in his attitude in all things including politics and including his desire to be a jockey.

Mr. ALTFILLISCH discharged SIRHAN after it was apparent that he was not happy in his work and was not making much progress towards becoming a jockey. The trainers and Mr. ALTFILLISCH felt that he was too timid towards horses to ever become a good jockey. He was also not looked upon with favor by Mr. ALTFILLISCH since on one occasion he had attempted to organize the exercise boys into going home at noon and doing only exercise boy work. In other words, he did not like long hours of work and he felt that he was above doing the groom work since he was hired as an exercise boy. Mr. ALTFILLISCH was able to convince him and the others that if they did not do their work as directed, they would

all be fired immediately. After this they all returned to work including SIRHAN and no more was heard regarding this matter.

It is noted that this farm is a large thoroughbred horse racing raising and training farm and as many as five to ten exercise boys and girls are hired at one time. Mr. ALTFILLISCH said he did not recall exactly who SIRHAN resided with at the time he was working at the farm. He believed he resided with one [REDACTED] and possibly with a RICK VALDIZ who is presently at the Descancio Farms near San Diego, California, and possibly with STEVE GUERRERO, who he believes is working for RON MC MALLY at the Santa Anita Race Track. He has no idea where [REDACTED] might be as he understood the Riverside Sheriff's Office was seeking his whereabouts at one time. He advised that SIRHAN may have lived with these people and may not. He believes he stayed somewhere in the vicinity of Norco during the week and traveled home to Pasadena on weekends. He was not particularly close to anyone at the farms and did not form a buddy relationship with any one particular person as is usually the habit of people working in this type of work. Mr. ALTFILLISCH said the only person working here at the present who would have had any contact with SIRHAN would be GARY NORRIS, the present trainer. He advised that GARY NORRIS took over the training work from one ROBERT LYNN WHEELER, who is presently a trainer at the Santa Anita or Hollywood Park Race Track.

Mr. ALTFILLISCH does not recall any mail coming in for SIRHAN. He never heard of SIRHAN being a member of any type of organization or attending any type meetings of any kind. He again pointed out that he had a number of employees and they were engaged in a busy type operation and although he had heard several comments concerning SIRHAN he did not have personal contact with him over a very few times.

Mr. ALTFILLISCH said that his records show that [REDACTED] resided at [REDACTED] Corona, California, in 1960.

3

LA 56-156

Mr. ALTFILLISCH advised that while employed here SIRHAN was thrown from a horse on September 25, 1966. He advised that this happened in the morning hours and SIRHAN was immediately taken to the Corona Community Hospital in Corona, California. Mr. ALTFILLISCH made available copies of his information furnished by the doctor, the insurance company and his own report of this incident. He recalled that SIRHAN came back to work within a very few days after this incident and that he did not appear to be injured seriously. He was scratched up considerably and was uncomfortable for a few days. He worked for about two months after this and then later brought an action to obtain money from the insurance company for his injury.

b7c

Mr. ALTFILLISCH advised that during the summer, besides he had employed at the time three local girls as in the exercise area. One was PEGGY OSTERKAMP, the other was LINDA SEABOLT and JANICE DUCY.

Xerox copies of the reports furnished by Mr. ALTFILLISCH are attached.

California, telephone number [REDACTED] stated he presently resides at [REDACTED] telephone [REDACTED]

[REDACTED] he was formerly [REDACTED]

Pasadena. He resided at [REDACTED] Pasadena; from about [REDACTED] during which time he was acquainted with the SIRHAN family.

[REDACTED] to the best of his recollection, Mrs. MARY SIRHAN and her children came to the United States from Jerusalem in about 1960. The father, name unknown, remained in Jerusalem as he and MARY apparently had marital problems. [REDACTED] the only sons he can recall were named SAIDALLAH, SHARIF, and the younger son SIRHAN. He said he believes there was a daughter who came to the United States with them but he is not certain of her name. It may have been MARY, however, she did not reside with the family in Pasadena.

[REDACTED] he knew the family through his church, as the mother was a member and faithful in church attendance. He also saw them in the neighborhood as the SIRHAN family resided at 1647 North Lake and later at 696 East Howard, which was near his own residence.

During the time he knew SIRHAN SIRHAN, he had several talks with him regarding belief in God. SIRHAN appeared to be a very intense atheist and could see no logical reason to believe in God. [REDACTED] stated SIRHAN also attended John Muir High School, Pasadena, during that period and was about a sophomore. He appeared to be very close to one of the high school teachers who furnished him with a great deal of literature to substantiate his beliefs in atheism. b7C  
b7D [redacted] said the boys all seem to have a bitter attitude toward life, with the feeling that the world owed them a living. This was due in part to the resentment they had for their father who did not come with them to the United States.

He advised further that he did not recall any of the boys belonging to any organizations in the community. SIRHAN may have been a member of some club, but it would have been connected with John Muir High School.

[redacted] said the mother was employed by the Westminster Presbyterian Church near their residence. She worked in child care with the pre-school children. SHARIF-SIRHAN was employed off and on as a painter and he said he cannot recall where SAIDALLAH was employed.

The SIRHAN family were close friends with the (First name unknown) [redacted] family who resided near them on Elizabeth Street in Pasadena. [redacted] said he believes the two families were related in some manner.

He recalled the SIRHAN family as having attended his church in the early 1960s. He could not recall exactly when the family started to attend church, but stated that the mother and three or four of the children then appealed to the Church to bring two other children to the United States from their home country. The other two children were SHARIF and SAIDALLAH SIRHAN. He thought that the other members of the family had been brought to the United States by a Seventh Day Adventist group. The family attended church regularly including various club functions of the Church, but the family never officially joined the Church.

Of all the members in the SIRHAN family, [REDACTED] had the least contact with SIRHAN SIRHAN and believes when SIRHAN SIRHAN was coming to the Church he was in his mid-teens. [REDACTED] personally believed the entire family was unstable probably due to the fact that the father more or less cut all ties with the family and the youngsters had no fatherly guidance. [REDACTED] he knew of no present or past member of the Church who was close to the SIRHAN family and who could offer any information concerning them.

Date 6/8/68**GAYMOARD MISTRIB**

Pasadena, California (Phone [redacted]) advised that he came to the United States from Bombay, India, five years ago. He related that he attended Pasadena City College (PCC), Pasadena, California, for two years after which he transferred to the Western State College of Engineering (WSC) at Inglewood, California. He studied there for two years and was graduated one week ago with a degree in Engineering. MISTRI explained that he is presently unemployed and in the process of seeking a job after obtaining his degree. He thereafter furnished information as follows:

In 1962 or 1963, MISTRI was attending PCC and belonged to a social club called the Foreign Students' Group. This club was for all foreign students on campus. Through the club, he developed speaking acquaintances with various other foreign students, one of whom was SIRHAN SIRHAN. MISTRI explained that their relationship was that of "casual acquaintances" and noted that he never knew SIRHAN by name until he was identified through the press as being the assassin of Senator ROBERT F. KENNEDY. He pointed out that their sole relationship was that of speaking to each other on campus or having coffee where other foreign students gathered. MISTRI recalled, however, that SIRHAN always called him "MISTRI."

MISTRI further explained that he continued to reside in Pasadena while attending WSC and would often eat or attend social functions on campus at PCC. On some occasions, he would see SIRHAN but estimates that in the last three years he has not seen him over four or five times.

*ALL*  
*b7C*

In late March, 1968, MISTRI saw SIRHAN at the Santa Anita Racetrack, Arcadia, California. They talked for only a few minutes, and the conversation was mainly about the races. He recalled that SIRHAN asked about some mutual acquaintances and asked how MISTRI was doing. He noted that they talked for only three to five minutes.

On June 4, 1968, at approximately 6:10 p.m., MISTRI entered Bob's Big Boy Restaurant, 1616 East Colorado Boulevard, Pasadena. The restaurant is adjacent to the campus at PCC. MISTRI sat at the counter for approximately ten minutes after which SIRHAN entered the restaurant, recognized him and joined him at the counter. After greeting him, SIRHAN asked MISTRI to join him for dinner and stated, "The meal is on me." After MISTRI declined the offer, SIRHAN took MISTRI's check for coffee. After a few minutes of non-specific conversation, MISTRI began reading a newspaper which carried a caption concerning the Israeli-Jordan situation. SIRHAN noted the caption and said words to the effect of "things are wrong there." However, MISTRI did not pursue the conversation, and SIRHAN made no further comments concerning Israel, Jordan, or any other political situation or figure. SIRHAN's meal was served, and the remainder of the conversation was of horse racing, about which both had a mutual interest.

When SIRHAN finished his meal and paid the checks, he asked MISTRI where he was going. When MISTRI informed him that he was going to the PCC campus, SIRHAN stated, "I think I'll come with you."

They then walked to the campus cafeteria, during which time they again talked of horse racing. Upon entering the cafeteria, SIRHAN observed four Arab students whom he immediately approached. He introduced himself and MISTRI, after which a conversation ensued in Arabic. MISTRI recognized one of the students to be MOROOF BADRAN (phonetic), whose address MISTRI furnished from an address book as 5733 Benner Street, Apartment 7, Highland Park, Los Angeles. He did not recognize the other students. BADRAN and the other students then departed the cafeteria to attend a 7:00 p.m. class, and MISTRI and SIRHAN sat at another table.

MISTRI initially stated that inasmuch as they had just left the restaurant, he did not care for coffee, but at SIRHAN's insistence he ordered hot chocolate. A casual and non-specific conversation then began, during

3  
LA 56-156

which time, SIRHAN began toying with a small metal object which he held in his hands. When MISTRI asked what the object was, SIRHAN advised that it was something connected with a gun or bullet. MISTRI explained that SIRHAN told him what the object was but noted that he cannot now recall exactly what it was. He noted, however, that he is sure that it was connected with guns or bullets and stated that his impression is that it was a spent slug of a bullet which had been fired from its casing and subsequently recovered.

A detailed interview with MISTRI and an examination of a .38 caliber bullet failed to clarify exactly what type of object MISTRI had seen. He concluded, however, that he feels that it was a spent slug of a smaller caliber than the .38 caliber bullet displayed for clarification purposes.

After MISTRI inquired about the above mentioned object, he asked SIRHAN if he was a hunter. SIRHAN replied that he had hunted on occasion but noted that he was just learning about the sport. However, MISTRI noted that he then asked SIRHAN an unrecalled question about rabbit hunting and pointed out that, judging from the conversation that followed, he formed the opinion that SIRHAN had little or no knowledge about hunting or firearms.

Shortly thereafter, they departed the cafeteria and began walking to a campus parking lot where each had a car parked. While walking toward the lot, SIRHAN observed a new campus building and noted that the new building stands on what was a vacant lot when they attended PCC. SIRHAN then, referring to the time when they attended PCC as students, said words to the effect of, "That was a beautiful time ... when the political situation was better." MISTRI noted that he felt that the statement was odd and did not exactly understand it; however, inasmuch as he did not wish to continue the conversation, he made no comment and neither did SIRHAN.

While walking toward the lot, they came to a newspaper rack, from which MISTRI purchased a Preview Edition of the "Los Angeles Times." When SIRHAN stated that he also wanted a paper, MISTRI told him not to purchase one inasmuch as he, MISTRI, wanted only the classified ad section for job hunting purposes. MISTRI then took the classified ad section and gave the remainder of the paper to SIRHAN. MISTRI does not recall seeing SIRHAN look at the paper.

4  
LA 56-156

As they approached their vehicles in the parking lot, SIRHAN asked MISTRRI if he wanted to shoot pool. After MISTRRI declined, SIRHAN lingered for a few moments talking about mutual friends. MISTRRI recalled that SIRHAN asked such questions as how former students were getting along and how many children they now have.

As they entered their respective vehicles, MISTRRI recognized that SIRHAN entered the same vehicle which he had when they attended PCC. He described the vehicle as an older model Chrysler product which was pink in color. MISTRRI departed the lot first and did not observe the direction in which SIRHAN drove away. MISTRRI estimated the time to be 7:15 to 7:30 p.m.

MISTRRI could not recall the clothing worn by SIRHAN, other than he was not dressed in a coat or tie and wore a shirt and trousers.

MISTRRI concluded by noting SIRHAN made no comment about Senator ROBERT F. KENNEDY, the current political situation, or the primary election being held in California. Further, he stated that SIRHAN gave no indication of emotional instability or any type of contemplated violent act. MISTRRI further noted that when SIRHAN asked him to go shoot pool, there was no time limit suggested. He further stated that it was his opinion that SIRHAN appeared to be lingering with nothing to do and was seeking his company. He noted, however, that no time limit was suggested about shooting pool, inasmuch as he refused SIRHAN's offer outright.

He knew SIRHAN for about five months, from September 1966, to January 1967. He described SIRHAN as a nice person, never smoked, drank, or swore, was well educated and was well informed on American politics. He believed SIRHAN was a real gentleman. He recalled one time, SIRHAN lost his temper when dealing with a horse. [REDACTED] explained he thought some horses were stupid and from time to time, persons working around horses lose their tempers. On this one occasion, he came upon SIRHAN who was kicking and hitting a horse with his fists. SIRHAN was in a rage of temper. [REDACTED] interceded and called SIRHAN, who immediately stopped and then said as way of explanation, [REDACTED] "the horse provoked me". [REDACTED] felt this statement was a different way of putting the complaint against the horse's actions.

[REDACTED] states SIRHAN told him that SIRHAN came to the United States to study law and get into politics, but that SIRHAN became interested in horses and becoming a jockey. [REDACTED] said he could not keep SIRHAN because he kept falling off of horses and was not a good rider.

He stated that SIRHAN desired to be a jockey and that he, NORRIS, did not believe he could be a jockey as he could not make the grade of a jockey as he was not good around horses, and seemed to be somewhat frightened of them. He advised that this certainly would not be a good disposition for a jockey.

Mr. NORRIS advised that he recalled that when he came here in October that SIRHAN had just returned to work after having been off a few days just after taking a fall from one of the horses.
